**NEXT WEEK IS
TIMETABLE...**

A

Dear Parents/Carers,

We were delighted to welcome so many of you to the Year 9 Options Evening this week. Attendance was an impressive 98%, and it was clear that pupils had engaged thoughtfully with the process and arrived well prepared to make informed choices about their next steps. Thank you for the time you've spent at home discussing these decisions with your children—it makes a real difference.

Looking ahead, after half term all year groups will be taking part in their Challenge Week exams. May I take this opportunity to remind pupils and parents to make full use of the revision resources available on Google Classroom and the Pupil Portal. For pupils in Year 10 and Year 12, these exams will take place in the formal setting of the exam hall, giving them valuable experience in preparation for their final exams. Timetables for these assessments will be shared prior to the half-term break, and we strongly encourage pupils to begin their revision now.

A few important dates for your diaries:

- **Year 8 Parents' Evening** – Thursday 12th June
- **Year 7 Parents' Evening** – Thursday 26th June
- **Transition Evening for new Year 7 pupils (September starters)** – Thursday 19th June. Further details about these events will be shared in due course.

A quick reminder about uniform expectations: pupils must wear their blazers to and from school each day. They may ask their teacher for permission to remove them during lessons when temperatures rise, but they must always have their blazer with them. We also want to remind families that skirts should be of an appropriate length—knee-length or longer. We appreciate your ongoing support in maintaining the high standards of presentation we expect at Heathcote.

Last week, we were made aware via Facebook of concerns that some pupils from our school may have stolen food from Greggs on Station Road. After investigating thoroughly, I am pleased to confirm that the pupils involved were not from Heathcote. However, it is important to remind all families that pupils should make their way home promptly at the end of the school day and not be lingering on Station Road after 3.45pm. While we do have staff present in the area until then, we cannot supervise pupils beyond this time. After 3.10pm, responsibility for your child rests with you, and we ask for your support in ensuring they leave the area and return home directly.

We are also aware of some pupils engaging in water fights on the green near the school. While we understand the temptation in the warmer weather and the appeal of a bit of fun, this behaviour is not acceptable and can cause disruption and upset to the local community. Please speak to your child about behaving responsibly outside of school hours. Thank you as always for your continued support.

Heathcote's Book Of The Fortnight

Noughts and Crosses

Malorie Blackman

'Stop it! You're all behaving like animals! Worse than animals - like blankers!'

Sephy is a Cross: she lives a life of privilege and power. But she's lonely, and burns with injustice at the world she sees around her.

Callum is a nought: he's considered to be less than nothing - a blanker, there to serve Crosses - but he dreams of a better life.

They've been friends since they were children, and they both know that's as far as it can ever go. Noughts

and Crosses are fated to be bitter enemies - love is out of the question.

Then - in spite of a world that is fiercely against them - these star-crossed lovers choose each other.

But this is love story that will lead both of them into terrible danger . . . and which will have shocking repercussions for generations to come.

Voted as one of the UK's best-loved books, Malorie Blackman's Noughts & Crosses is a seminal piece of YA fiction; a true modern classic.

Key Messages

Dear Parents/Carers,

As we approach the end of the half term, I'd like to take a moment to thank you for your continued support and share a few important reminders and updates.

Firstly, we kindly ask that you speak to your children about going straight home after school. Pupils should not be hanging around the streets after dismissal, as this can pose safety risks and put them in potentially unsafe situations. We want all of our students to be safe and responsible both in and out of school.

Please also remember that while students are in school uniform — whether on site or in the community — they represent the school. Any inappropriate behaviour while in uniform will result in sanctions, in line with our behaviour policy.

Uniform expectations remain the same:

- Blazers must be worn at all times.
- Skirts should be knee-length.
- Excess jewellery and make up is not permitted.

Thank you for your support in ensuring students uphold these standards.

We've also become aware that several Year 7 students have been following inappropriate TikTok profiles that involve sharing images and mimicking staff and other students. This type of behaviour is not acceptable and can be harmful to both individuals and the wider school community. We strongly encourage you to monitor your child's social media activity, discourage them from following these accounts, and ensure they are not involved in such activities in any way.

A big congratulations to **7.1**, who have received fantastic feedback for their work in History — well done!

Finally, we're looking forward to our **Rewards Assembly in the final week of term**, where we'll be celebrating all the fantastic achievements from this half term.

Thank you for your ongoing support in helping us maintain a positive and respectful environment for all our students

Dear Parents/Carers,

A huge congratulations to our Year 8 girls' football team, who achieved 2nd place in the London Cup on Monday. Reaching the final is an amazing achievement and reflects the team's dedication, teamwork, and commitment. We are incredibly proud of their hard work and sportsmanship.

As we continue to promote high standards across the school, we would like to remind you of our uniform expectations:

- **Blazers must be worn at all times** unless permission has been granted by a member of staff to remove them.
- **Shirts must be tucked in** and worn smartly throughout the school day.
- **Skirts must be knee length** and worn appropriately.
- **Jewellery is not permitted** apart from a **single ear stud in each ear, single nose stud and watch** – no additional items are allowed, especially hoops and smart watches.

Pupils who do not meet these expectations will receive a R0 – incorrect uniform behaviour point. Please note that every 3 logs result in a 30-minute restoration.

We have unfortunately received an increasing number of concerns from members of the public regarding pupil behaviour after school hours, particularly around Station Road and Chingford Mount. Reports have included water fights, play fighting, and general disruption. Pupils are not to be in these areas after 3:45pm.

We would like to remind parents and carers that once students have left the school premises, they are still representing Heathcote. This behaviour is unacceptable and does not reflect the high standards we expect from our pupils. We ask for your support in ensuring that your child heads home directly after school unless they are involved in a supervised activity.

I would like to encourage Year 8 pupils to attend our extra-curricular clubs and activities. This is an opportunity to develop new skills, build friendships, boost confidence, and take pride in being part of the wider school community. Please see the table below and encourage your child to engage in something new.

Uniform

Sorry, the usual appeal for your support with this. Please do check your child's uniform in the mornings if you are able to do so. Boys should not be wearing multiple trouser layers, there should be no jewellery other than a single pair of stud earrings and no false eyelashes. Pupils will be given a restoration (detention) for uniform infringement which will be escalated if needed. Please see the Heathcote website for uniform details. Whist the weather gets warmer, blazer are still compulsory.

Talent Show

Our 6th form pupils are hosting a Heathcote Talent show on June 11th after school. Refreshments will be on sale and it should be a really fun event. I know last year several year 9's (then 8's) took part and were very impressive, it would be great to see some up on the stage again. If your child is interested in taking part they can speak to Ms Satkuneswaran or join the talent show Google Classroom.

Dear Parents/Carers,

Attendance

Attendance over the last two weeks has been excellent. Nearly all form groups have secured 90% or plus. Our target over the last few weeks of term is to get this above 95% in line with the National average. Can I thank you for your continuous support.

10.2 are leading the way in the current league table standing. Scores are for both attendance and praise points accumulated across the week.

Behaviour For Learning

There have been some slight changes to the start of each day. This includes Year 10's lining up each morning. This will remain in place until the end of term. Attendance marks are taken at line so it is important that students are arriving on time. Subsequently, we have noticed a smoother start to the day, which has positively impacted the start of lessons. I would like to say a massive thank you to the whole of year 10; particularly for how they have responded and adapted to the changes.

Uniform

As you know, we have been experiencing some unexpected weather changes. Please be mindful that uniform expectations are still applied. Some students have used the hot weather conditions to leave the blazers and ties at home. Please can you ensure that you are checking your child's uniform prior to leaving home. It is expected that blazers are still worn.

Work Experience

Many thanks to those who have already secured a work placement. I am pleased that a large percentage of the year group have done this inline with the deadline.

We are supporting those who have yet to find a placement. If your child has yet to source one, they would have received login details to access the work placement portal which is www.bepgroup.net. Please ensure you are discussing this with your child.

Key Messages

Dear Parents/Carers,

Last week, we took great pride in celebrating the achievements of our Year 11 pupils during their final Rewards Assembly. It was a great opportunity to recognise the hard work and dedication shown throughout the last term. Congratulations to all those who received awards.

As you know, the GCSE exam period is now in full swing. I am pleased to say that the majority of pupils have approached their exams with focus and readiness. However, I must remind all families that a small number of pupils have been arriving late. Please be aware that no extra time will be given to any pupil who arrives after the exam has started. To avoid any issues, all pupils must be on site by 8.35am for morning exams, which begin promptly at 9.00am.

For pupils with afternoon exams starting at 1.30pm, we are making arrangements for them to be released early for lunch. This will ensure they have time to eat and use the toilet before their exam begins.

We are aware that Tuesday 20th May presents a particularly busy day for a small number of pupils who are sitting three exams. These pupils have already been spoken to and are fully aware of the arrangements in place. We are committed to ensuring they are given appropriate breaks and support so they can perform at their best in each exam.

A reminder that morning and afternoon booster sessions continue to run and are a valuable opportunity for last minute questions and preparation. A full schedule is available via the Year 11 Noticeboard on Google Classroom.

In addition, online tutoring has now begun for a select group of pupils. Please ensure your child logs in promptly using the instructions in the letter they received this week.

Study leave begins on Friday 6th June. Until that date, all Year 11 pupils are expected to attend school every day. Absences will be marked as unauthorised unless your child is unwell and medical evidence is provided.

Finally, we are looking forward to Year 11 Leavers Day on Wednesday 18th June. Please be reminded that shirt signing is not permitted before this date. Pupils must continue to attend exams in full, clean school uniform. Any pupil who fails to follow this expectation may not be invited to Leavers Day or Prom.

Thank you for your continued support.
